# A faster way to get the healthcare you need

Thanks to Amedisys, you've got even more benefits from Included Health, including virtual urgent and mental health care.

For everything from pink eye and UTIs to billing issues and insurance questions, Included Health can help. Get the app for anytime access to all your benefits, including virtual care.

## Get the right care, right away. Get started today.

**See a doctor around the clock** with 24/7/365 access to virtual urgent care.

**Connect face-to-face with a therapist** when and where you're comfortable with virtual mental health care.

**Get an expert second opinion** from a top specialist for your condition.

**Access all your insurance info all in one place.** You can even track your deductible.

## How much does it cost?

Most Included Health services are fully covered by Amedisys, including Expert Medical Opinions, and available at no cost to you and your covered dependents. Virtual visits will have a co-pay and vary by your health plan coverage and the type of visit. Sign in to see your cost before taking a visit.
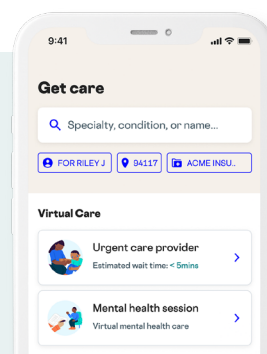

## Who can use Included Health?

Included Health is available to all Team Members and their dependents enrolled in an Amedisys medical plan.

## How do I get started?

1. Download the Included Health app.

2. Activate your account or login.

3. Get the healthcare help you need.

## Explore your account.
