CHILD TERM LIFE INSURANCE RIDER

WHAT DOES THIS RIDER PROVIDE?

The rider provides life insurance coverage on the primary insured's covered children under age 26. We will pay the Death Benefit to the primary insured, if living, unless another beneficiary has been elected in writing.

CAN COVERAGE CONTINUE FOR A COVERED CHILD WITH A DISABILITY?

Coverage may continue for a child who is incapable of self-sustaining employment by reason of mental or physical disability and who continues to meet the definition of child except for the age limit. See certificate for details.

WHAT HAPPENS IF THE PRIMARY INSURED DIES?

If the primary insured dies while this coverage is in force the rider will terminate. We will refund any portion of premium paid on the rider for the period beyond the date of the primary insured's death.

CAN THE RIDER BE CONVERTED?

When the child's coverage under the rider ends for any reason other than nonpayment of premium or the child attaining the limiting age for coverage under the certificate, the rider may be eligible for conversion to a new individual life insurance policy.

WHAT IS THE TERM PERIOD?

The term period of the rider begins on the date this rider becomes effective and ends for each covered child on the covered child's 26th birthday.

ACCIDENTAL DEATH BENEFIT RIDER

WHAT DOES THE RIDER PROVIDE?

We will pay an additional benefit equal to the Death Benefit amount if the insured dies as the result of a covered accidental injury.

Death must occur as a direct result of injuries sustained in a covered accident and must occur within 180 days of such accident. Unless prohibited by law, we have the right to examine the body and have an autopsy done at any time.

WAIVER OF PREMIUM BENEFIT RIDER

WHAT DOES THIS BENEFIT PROVIDE?

If you, the primary insured, are totally disabled for 3 continuous months, we will waive premiums for up to 24 months, and the amount payable will not be reduced. See certificate for full details.

ACCELERATED BENEFIT RIDER

The Accelerated Benefit Rider is for the primary insured and spouse only.

Issue Ages: 18-70

WHAT WE WILL PAY

If the insured is diagnosed with a terminal illness, a one-time lump sum benefit of up to 50% of the Life Insurance Benefit is payable.

If the insured is diagnosed with a chronic condition, you can choose a one-time lump sum benefit of up to 50% of the Life Insurance Benefit

– OR –

Periodic payments in the amount of 4% of the Life Insurance Benefit (maximum of 25 payments). Each additional periodic payment must be separated by a period of 30 days or more.

Any payment made under the Accelerated Benefit Rider will automatically reduce the Death Benefit payable under the certificate by the amount paid under the rider.

If periodic payments have been made for a chronic condition and you later request a lump sum benefit for terminal illness, the amount payable will be less any amount paid previously under the rider.

Once a lump sum benefit has been paid under the rider, no further benefits will be paid and rider coverage will end for the insured.

EXTENSION OF CHRONIC CONDITION PERIODIC PAYMENTS RIDER This rider is not long-term care coverage.**WHAT DOES THIS BENEFIT PROVIDE?**

Maximum of 25 payments of 4% of the life insurance benefit amount. Each additional periodic payment must be separated by a period of 30 days or more.

Once periodic benefit payments have been exhausted under the Accelerated Benefit Rider and a period of 30 days has passed, you can extend benefits payable for a chronic condition.

If the lump-sum payment method is chosen under the Accelerated Benefit Rider, no benefits are available under the rider and coverage will end for that insured..

Any premium you paid for the increase will be returned to the beneficiary. Any premium paid by the policyholder for the increase will be returned to the policyholder.
