

Hi, we're Cayaba Care!

Personalized and flexible maternal support

Cayaba Care is a maternity program offering all of the additional pregnancy and postpartum support you're going to need.

We provide an extra layer of help for you in-between your OB visits to ensure you have the best and safest experience during and after your pregnancy.

Why Cayaba Care?

Doula-Led, Maternal Navigation

Get the support of a maternity expert to ensure that you're prepared for every stage of your journey, and you won't have to manage everything alone.

Complete Maternal Care Services and Support

Get support from a team of experts including, nurses, lactation consultants, and more to complement and enhance your existing OB care.

No Cost to Eligible Members

Our core services are available at no additional cost to eligible members of participating health plans.

Personalized Care Program

Our program is designed with your needs in mind, empowering you with the care that will make the biggest difference to you.

"I love that they are able to help with resources whenever I need help from housing help to a listening ear!! I had my daughter 7 months ago and Sharlene still reaches out to me to make sure I'm doing ok and all it means is that she still cares and I love that."

-Valeria, Cayaba Member

*Additional services we offer may require a copay, but you always have the choice to decline a specific service.
