

Backup Care

When plans change, Wellthy is here for you

Life can be unpredictable, but your backup care plans don't have to be.

When your daycare is closed, your mom's aide calls in sick last minute, or your plans change suddenly, finding backup care can be tough.

Wellthy's Backup Care is here to help. We make it easy to find care when your family's regular plans are disrupted. Our Backup Care Specialists can help you create a plan—whether you need it today, tomorrow, or months from now.

Explore our Care Network

Check out pre-vetted backup care providers, centers, and community programs in your area through the Wellthy's Care Network.

Build a Backup Care Circle

Create a 'speed dial' of preferred options from our Care Network and your own personal contacts so they are ready when you need them.

Get Expert Support

Backup Care Specialists are here to help—they can find the best options for you, secure and book care, and even handle the payments.

No more last-minute rush to find backup care. Activate your Wellthy account today by visiting [wellthy.com/member/phila](https://www.wellthy.com/member/phila)
Your future self will thank you!
