

# YOUR DENTAL BENEFITS

Prepared for the employees of Exact Sciences Corporation

The summary below does not cover all plan details. Further information can be found in the Summary Plan Description or dental benefit handbook. That document provides a thorough explanation of your dental plan, including any limitations or exclusions that might apply. If there are any discrepancies between information found here and the group contract, the group contract shall govern.

\*Deductible applies

\*\*When seeing an out-of-network provider, balance billing may occur resulting in an out-of-pocket expense.

**CheckUp™ Plus** allows enrollees to get diagnostic and preventive dental services without those costs getting applied to the individual annual maximum - leaving more flexibility for restorative care that might be needed later.

**Evidence-Based Integrated Care Plan (EBICP)** provides additional cleaning(s) and/or fluoride treatments to individuals with specific medical conditions that have oral implications.
