

Voluntary benefits to support your financial well-being and bring peace of mind.

Protect your family, home, pets and identity. Save money. Supplement your health insurance.

Plan for the future with Voluntary Benefits.

We know one size does not fit all when it comes to benefits. With Voluntary Benefits - paid through payroll deductions - you can tailor benefits packages to fill gaps in insurance, with special rates and options.

Permanent Life Insurance

Provides financial security for yourself and your loved ones.

Auto/Home Insurance

Protect your possessions so you're not surprised by coverage gaps or unexpected costs.

Critical Illness Insurance

Ease the impact of a severe illness with cash for medical and non-medical expenses.

Identity Theft Protection

Take the stress out of combating identity theft and related fraud.

Hospital Indemnity Insurance

Supplement your health insurance in case of planned or unplanned hospital services.

Legal Service*

Get access to experts who can assist you with a broad range of personal legal needs you might face throughout your life.

*Legal benefits only offered during open enrollment

Accident Insurance

Pay for accidental injury expenses, like hospital transportation and physical therapy.

Pet Insurance

Keep your pets healthy with less worry about the cost of vet bills.

Short Term Disability Insurance

Supplement your income if an illness or off-the-job injury prevents you from working.

Student Loan Program

Provides help overcoming financial challenges, so you can focus on things that matter.

Take advantage of your benefits!
