Life and AD&D Insurance

Life insurance is a cost-effective way to help protect your family and your finances. It helps ensure your short- and long-term financial obligations could be met if something unforeseen happens to you.

You can better prepare for these longer-term expenses by purchasing additional life insurance that goes above your employer-provided coverage. It's important to review your life insurance coverage often, as you experience different life events. Getting married, having children, and buying a home could require adding more life insurance protection to your portfolio as your financial commitments change.

Your plan also gives you access to MetLife AdvantagesSM — services at no additional cost to you, including:

- **Will Preparation²** offers you and your spouse/domestic partner face-to-face meetings or phone calls with a MetLife Legal plan attorney to prepare or update a will, living will or power of attorney.
- **Estate Resolution Services²** provides you and the beneficiaries of your estate with face-to-face meetings or phone consultations with a participating MetLife Legal plan attorney to help settle your or your spouse's/domestic partners' estate.
- **Portability³** gives you the flexibility to take your MetLife coverage with you if you change jobs.
