

24/7 “Ask-a-Vet”.

MetLife Pet Telehealth Concierge Services.

Pet care concerns can happen anytime, anywhere – seek veterinarian guidance for your pet around the clock with MetLife Pet Telehealth Concierge Services.

MetLife Pet policyholders with a MyPets account will have complementary access to 24/7 Telehealth Concierge Services where licensed veterinary professionals can provide the guidance you need—from general questions to support identifying urgent care needs, whenever you need it via the MetLife Pet App.¹

Here’s how MetLife Pet’s Telehealth Concierge Services work:

- Access the MetLife Pet app and select “Vet Chat”
- Tell a licensed veterinarian about your concerns regarding your pet
- Send photos or additional notes in our secure chat feature
- Get answers quickly
- Access to relaunch chat history
