Pre-Registration

Up navigation to
mybenefits.metlife.com/ADPTotalSource,
you'll see the screen on the right:

Enter the name of your employer or organization into the field in the upper-right corner. A dropdown menu of organizations may appear with options to choose from (if more than one match is found, select the organization you want to register and click "**Next**").

You'll be taken to a screen that asks you to select whether you would like to login or create a new account. The interface may vary.

Regardless of the interface, select "**Create a New Account**" or "**Register Now**".

If you believe you have selected the wrong organization, click on the link that reads, "**I'm looking for a different account to log into**". This link will take you back to the screen where you can choose a different organization.

Registration Continued

If your identifying information does not match publicly available information about your identity, you may be prevented from creating an account.

Next, you'll be asked to verify your identity via a **verification code** on the screen below. Select whether you'd like to receive the code via text message or voice message, and sometimes an email if that information is already available to MetLife.

You'll be taken to the 2nd screen on the right. Retrieve the code, then enter it in the text field. The code will expire after 15 minutes, in which case you will need to generate another code. Click "**Next**".

Your email address will be a suggested username in the first text field. We recommend using this as your username, but you may change it.

Enter and confirm your desired password in the next two text fields.

If you'd like MetLife to remember your device, so that you don't have to verify your identity every time you login to your online account, select the "**Remember this Device**" checkbox. Your device will be remembered for a maximum of six months.

Choose whether you'd like to receive paperless documents by selecting one of the radio buttons at the bottom of the page. You may view the eConsent Policy by clicking on the relevant links. Click "**Submit**". Upon successful submission, you should receive a congratulatory confirmation message.

Finally, select "**Go To Dashboard**" and you will be taken to your Dashboard.
