You have access to a large network of quality behavioral health specialists—including virtual providers.

When you need behavioral support, myCigna® makes it easy to connect with the right care – in person or virtually!

- [Visit myCigna.com®](https://mycigna.com)
- [Use the myCigna App<sup>2</sup>](#)

Once you log in, select “Therapist” or “Virtual” for a list of virtual behavioral health providers. You can also click on “Find Care & Costs.” From there, search “Doctor by Type” and select a behavioral health provider in your network. Your search results consider factors like your age, your reason for seeking treatment, the type of treatment you’re looking for, your preference for virtual vs. in-person care delivery options, and more.

### Important billing information.

**Virtual care:** The cost share of an appointment is the same as an outpatient office visit to an in-network provider. Your cost-share is administered according to your company’s plan design.

**In-person office visits:** Copay/coinsurance and deductibles apply.

## Why behavioral support matters.

## We make it easy to access support.

- Our specially designed virtual network is one of largest in the country.
- Choose from a diverse selection of specialist providers, including those with expertise in substance use disorders and youth and family.
- **First-time appointments often available within 2 days:** 2-day appointments available through provider partners: Alma, Bicycle Health, Brightside, Headway, Meru Health, and Rula.

Help for you, whenever and wherever.

### It starts at myCigna.
