

**IMPORTANT: This is a fixed indemnity policy,  
NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

**Looking for comprehensive health insurance?**

• Visit **HealthCare.gov** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.

- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

**Questions about this policy?**

• For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](http://naic.org)) under "Insurance Departments."

- If you have this policy through your job, or a family member's job, contact the employer.

### Benefit Payment Example

The example below assumes Susan sought treatment at a group policyholder-designated facility and is therefore eligible for additional payment under the Benefit Supplement Rider.

Susan has chest pains at home, and after contacting her doctor, she is instructed to head to her local hospital. Upon arrival, the doctor examines Susan and advises that she requires immediate admission to the Intensive Care Unit for further evaluation and treatment. After two days in the Intensive Care Unit, Susan moves to a standard room and spends two additional days recovering in the hospital. Susan was released to her primary care physician for follow-up treatment and observation. Her primary doctor is now keeping a close watch over Susan's overall health. Depending on her health insurance, Susan's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Hospital Indemnity Insurance payments can help cover these unexpected costs or in any other way Susan sees fit.

Covered Benefit	Benefit Amount
Regular Hospital Admission (1x)	\$1,000
ICU Supplemental Admission (1x)	\$1,000
Regular Hospital Confinement (3 total days)	\$495
Ground Ambulance Transport	\$200
Benefits paid by MetLife Group Hospital Indemnity Insurance	\$2,695

Benefit amount is based on a sample MetLife plan design. Plan design and plan benefits may vary.
