1. E-Treatment care is not available in KS, MS, NM, WV, and DC. 2. Wait times may vary by season and location. 3. Fever treatment for customers 3 months + . Ear and eye pain for customers 3 years +. 4. Legal parent or guardian must consent for customers under the age of 18 5. Prescriptions and refills are administered based on what the MDLIVE provider deems medically appropriate and available for local or home delivery. Cigna Healthcare provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and all services may not be available in all areas; subject to state regulations. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs.

All Cigna Healthcare products and services are provided exclusively by or through operating subsidiaries of The Cigna Group.
