Cleaning the gutters. Yoga class. Soccer practice. Life offers plenty of opportunities for accidental injuries. When an injury happens, Accident Insurance can help. This document includes expanded cost and benefit information for Accident Insurance. As you explore, keep in mind:

Coverage is Guaranteed Issue.

Employees get an annual Wellness Benefit of \$75 for completing an eligible health screening test.

Benefit payments go directly to you. Use them how you'd like!

Accident Insurance doesn't replace your medical coverage; instead, it complements it. **The benefit payments** don't *go out* to pay for medical bills or treatments you may need, instead they *come in*—directly to you—to be used however you'd like. Choose this supplemental health insurance product for added protection if one of the following covered conditions comes your way.

Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
