FILING A DISABILITY INCOME INSURANCE CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than:

- 14 days with respect to Disability Income Insurance: Short Term Benefits; and
- 12 weeks, with respect to Disability Income Insurance: Long Term Benefits

after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When a claimant files an initial claim for Disability Income Insurance benefits described in this certificate, the following should be sent to Us:

- notice of claim within 30 days of the date of loss; and
- the required Proof within 90 days after the end of the Elimination Period.

Notice of claim and Proof for Disability Income Insurance may also be given to Us by following the steps set forth below:

Step 1
A claimant may give Us notice by calling Us at the toll-free number shown in the Certificate Face Page within 30 days of the date of a loss.

Step 2
We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3
When the claimant receives the claim form the claimant should fill it out as instructed and return it with the required Proof described in the claim form. If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4
The claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice or Proof are given as soon as is reasonably possible; and, in no event, except in the absence of legal capacity, later than 1 year after the date Proof is otherwise required.

Subject to due Written Proof of loss, all accrued benefits for loss for which this certificate provides periodic payment will be paid as follows:

Any benefit due and not paid within 30 days of our receipt of Proof will accrue interest at the rate of three percent (3%) per month on the amount due, until the claim is finally settled or adjudicated.

Subject to the Time Limit on Legal Actions provision, if We do not pay benefits when due and payable You may bring an action to recover such benefits, any interest which has accrued with respect to such benefits, and any other damages which may be allowed by law. If it is determined in such action that We acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay benefits and/or claims when due, You

or the health care provider shall be entitled to recover damages in an amount up to three (3) times the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Accident and Health Insurance
  - o $500,000 for health benefit plans
  - o $500,000 in disability income insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to health benefit plans.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at www.ulhiga.org or contact:

Actively at Work or Active Work means that You are performing all of the usual and customary duties of Your job. This must be done at:

- the worksite employer's place of business;
- an alternate place approved by the worksite employer; or
- a place to which the worksite employer's business requires You to travel.

You will be deemed to be Actively at Work during weekends or worksite employer approved vacations, holidays or business closures if You were Actively at Work on the last scheduled work day preceding such time off.

Appropriate Care and Treatment means medical care and treatment that is:

- given by a Physician whose medical training and clinical specialty are appropriate for treating Your Disability;
- consistent in type, frequency and duration of treatment with relevant guidelines of national medical research, health care coverage organizations and governmental agencies;
- consistent with a Physician's diagnosis of Your Disability; and
- intended to maximize Your medical and functional improvement.

Beneficiary means the person(s) to whom We will pay insurance as determined in accordance with the GENERAL PROVISIONS section.

Contributory Insurance means insurance for which the Policyholder requires You to pay any part of the premium.

Contributory Insurance includes: Disability Income Insurance: Short Term Benefits.

Disabled or **Disability** means that, due to Sickness or as a direct result of accidental injury:

- You are unable to earn more than 80% of Your Predisability Earnings at Your Own Occupation for any employer; and
- You are unable to perform each of the material duties of Your Own Occupation for any employer in the National Economy

For purposes of determining whether a Disability is the direct result of an accidental injury, the Disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

Domestic Partner means each of two people, one of whom is an employee of the worksite employer(s), who:

- have registered as each other's domestic partner, civil union partner or reciprocal beneficiary with a government agency where such registration is available; or
- are of the same or opposite sex and have a mutually dependent relationship so that each has an insurable interest in the life of the other. Each person must be:

    2. unmarried;
    3. the sole domestic partner of the other person;
    4. sharing a primary residence with the other person; and

Physician means:

- a person licensed to practice medicine in the jurisdiction where such services are performed; or
- any other person whose services, according to applicable law, must be treated as Physician's services for purposes of the Group Policy. - if You are paid on an annual contract basis, the calculation of Your weekly wages will be based on Your hourly pay rate;
- if You are paid on an hourly basis, the calculation of Your weekly wages will be based on Your hourly pay rate multiplied by the number of hours You are regularly scheduled to work per month, but not more than 40 hours per week; and
- If You do not have regular work hours, the calculation of Your weekly gross salary or wages will be based on the average number of hours You worked per week during the last 12 calendar months (or during Your period of employment if fewer than 12 months), but not more than 40 hours per week.

ELIGIBLE CLASS(ES)

All Actively at Work worksite employees of the worksite employer scheduled to work at least 15 hours per week; but not including temporary or seasonal employees and excluding worksite employees who do not draw a salary or hourly wage to calculate benefits. If You do not have regular work hours, the calculation will be based on the average number of hours You worked per week during the 12 calendar months prior to Your Disability.

In addition, we will consider the Policyholder's agreed to practice for Actively at Work worksite employees of the employer and client co-employer, in a job class. This may be further determined by reviewing the Policyholder's and client's Client Services Agreement or any other item We may reasonably require to determine Your job class.

Employees may be eligible for coverage and benefits for multiple worksite employers. If You are eligible for coverage for multiple worksite employers, the terms, coverage, conditions, and rights described in this certificate will apply separately to each worksite employer.

In addition:

- We will evaluate a claim for benefit for each worksite employer independent of each other; and
- if You receive benefits simultaneously due to having multiple worksite employers, such benefits will not offset each other.

DATE YOU ARE ELIGIBLE FOR INSURANCE

You may only become eligible for the insurance available for Your eligible class as shown in the SCHEDULE OF BENEFITS.

You will be eligible for insurance described in this certificate on the later of:

1. June 1, 2024;

2. date Your worksite employer enters into a co-employer relationship with ADP TotalSource; and

3. the first day of the calendar month coincident with or next following the date You complete the Waiting Period after entering an eligible class.

Waiting Period means the period of continuous membership in an eligible class that You must wait before You become eligible for insurance. This period begins on the date You enter an eligible class and ends on the date You complete the period(s) specified.

The worksite employer's agreed to eligibility Waiting Period practice for Actively at Work full-time or part-time employees with a client co-employer, in a job class will be determined by the Client Benefit Election Form (“CBE”) entered into between the Policyholder and ADP TotalSource worksite employer, or any other item We may reasonably require to determine Your Waiting Period.

ELIGIBILITY PROVISIONS: INSURANCE FOR YOU (continued)

ENROLLMENT PROCESS

If You are eligible for insurance, You may enroll for such insurance by completing the required form for each worksite employer. If You enroll for Contributory Insurance, You must also give the Policyholder Written permission to deduct premiums from Your pay for such insurance. You will be notified by the Policyholder how much You will be required to contribute.

The insurance listed below is part of a flexible benefits plan established by the Policyholder. Subject to the rules of the flexible benefits plan and the Group Policy, You may enroll for:

- Disability Income Insurance: Short Term Benefits;

only when You are first eligible or during an annual enrollment period or if You have a Qualifying Event. You should contact the Policyholder for more information regarding the flexible benefits plan.

DATE YOUR INSURANCE THAT IS PART OF THE FLEXIBLE BENEFITS PLAN TAKES EFFECT

Enrollment When First Eligible

If You complete the enrollment process for each worksite employer within 60 days of becoming eligible for insurance, such insurance will take effect as follows:

- if You are **not required** to give evidence of Your insurability, such insurance will take effect on the date You become eligible for such insurance if You are Actively at Work on that date.

- if You are **required** to give evidence of Your insurability and We determine that You are insurable, the insurance will take effect the first of the month following the date Your evidence of insurability is approved, if You are Actively at Work on that date.

If You do not complete the enrollment process for each worksite employer within 60 days of becoming eligible, You will not be able to enroll for insurance until the next annual enrollment period, as determined by the Policyholder, following the date You first became eligible. At that time You will be able to enroll for insurance for which You are then eligible.

If You are not Actively at Work for each worksite employer on the date insurance would otherwise take effect, insurance will take effect on the day You resume Active Work.

Enrollment During An Annual Enrollment Period

During any annual enrollment period as determined by the Policyholder, You may enroll for insurance for which You are eligible or choose a different option than the one for which You are currently enrolled. The insurance enrolled for or changes to Your insurance made during an annual enrollment period will take effect as follows:

- for any amount for which You are **not required** to give evidence of Your insurability, such insurance will take effect on the first day of the month following the annual enrollment period, if You are Actively at Work on that date.

- for any amount for which You are **required** to give evidence of Your insurability and We determine that You are insurable, such insurance will take effect the first of the month following the date Your evidence of insurability is approved, if You are Actively at Work on that date.

If You are not Actively at Work for each worksite employer on the date an amount of insurance would otherwise take effect, that amount of insurance will take effect on the day You resume Active Work.

Enrollment Due to a Qualifying Event

Under the rules of the flexible benefit plan, You may enroll for insurance for which You are eligible or change the amount of Your insurance between annual enrollment periods only if You have a Qualifying Event.

Qualifying Event includes:

- marriage;
- the birth, adoption or placement for adoption of a dependent child;
- divorce, legal separation or annulment;
- the death of a dependent; or
- a change in Your or Your dependent's employment status, such as beginning or ending employment, strike, lockout, taking or ending a leave of absence, changes in worksite or work schedule, if it causes You or Your dependent to gain or lose eligibility for group coverage.

If You have a Qualifying Event, You will have 60 days from the date of that change to make a request. This request must be consistent with the nature of the Qualifying Event. The insurance enrolled for, or changes to Your insurance made as a result of a Qualifying Event will take effect on the first of the month following the date We state in Writing, if You are Actively at Work on that date.

If You are not Actively at Work for each worksite employer on the date insurance would otherwise take effect, insurance will take effect on the day You resume Active Work.

DATE YOUR INSURANCE ENDS

Your insurance for each worksite employer will end on the earliest of:

1. the date the Group Policy ends; or
2. the date insurance ends for Your class; or
3. the end of the period for which the last premium has been paid for You; or
4. the date You cease to be in an eligible class. You will cease to be in an eligible class on the last day of the calendar month in which You cease Active Work in an eligible class, if You are not Disabled on that date; or
5. the last day of the calendar month in which Your employment ends; or
6. the date You retire in accordance with the last day of the calendar month in which Your employment ends.

In certain cases insurance may be continued as stated in the section entitled CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT.

ELIGIBILITY PROVISIONS: INSURANCE FOR YOU (continued)

Reinstatement of Disability Income Insurance

If Your insurance ends, You may become insured again as follows:

1. If Your insurance ends because:

   - You cease to be in an eligible class; or
   - Your employment ends; and

   You become a member of an eligible class again within 3 months of the date Your insurance ended, You will not have to complete a new Waiting Period or provide evidence of Your insurability.

2. If Your insurance ends because you cease making the required premium while on an approved Family and Medical Leave Act (FMLA) or other legally mandated leave of absence, and you become a member of an eligible class within 31 days of the earlier of:

   - The end of the period of leave You and the worksite employer(s) agreed upon; or
   - The end of the eligible leave period required under the FMLA or other similar legally mandated leave of absence law,

   You will not have to complete a new Waiting Period or provide evidence of Your insurability.

3. In all other cases where Your insurance ends because the required premium for Your insurance has ceased to be paid, You will be required to provide evidence of Your insurability.

If You become insured again as described in either item 1 or 2 above, the limitation for Pre-existing Conditions will be applied as if Your insurance had remained in effect with no interruption.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

The following rules will apply if this Disability Income Insurance:

- replaces a plan of group disability income coverage provided to You by the Policyholder; or
- replaces a Prior Plan of group disability income coverage provided to You by a former employer, when the replacement results from the worksite employer's or Policyholder's divestiture or spin-off from, acquisition of, merger with or other combination with that former employer; or
- replaces a Prior Plan of group disability income insurance provided to You by the worksite employer, when the replacement results from the worksite employer's establishment of a co-employment relationship with Policyholder.

Prior Plan means the plan of group disability income coverage that was provided to You by the Policyholder, the worksite employer, or the former employer on the day before the Replacement Date, and is being replaced by this insurance.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy or the date this Group Policy replaces a Prior Plan, whichever is later.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are <u>not</u> Actively at Work on such date because you are Disabled,** You will become insured for Disability Income Insurance under this certificate on the Replacement Date.

  We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

  Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

  Benefit payments for such Disability will end on the earliest of:

  - the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
  - the date that payments would have ended under the provisions of the Prior Plan of Insurance.
- **If You are <u>not</u> Actively at Work on such date for any other reason,** You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work.

Rules for When Insurance Takes Effect if You were <u>Not</u> Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

Rules for Pre-existing Conditions
In determining whether a Disability is due to a Pre-existing Condition, We will credit You for any time You were insured under the Prior Plan. If Your Disability is due to a Pre-existing Condition as described in this certificate, but would not have been due to a pre-existing condition under the Prior Plan, We will pay a benefit equal to the lesser of:

- the benefit amount under this certificate; or
- the disability income insurance benefit that would have been payable to You under the Prior Plan.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

If Your Disability would have been due to a pre-existing condition under the Prior Plan, it will be treated as having been caused by a Pre-existing Condition under this certificate.

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan (“Prior Plan’s disability”);
- returned to Active Work prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan’s disability;
- are no longer entitled to benefit payments for the Prior Plan’s disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the applicable worksite employer for information regarding such legally mandated leave of absence laws.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to injury or sickness, up to 3 months;
2. for the period You cease Active Work in an eligible class due to layoff, up to the end of the month You cease Active Work;
3. for the period You cease Active Work in an eligible class due to any other worksite employer approved leave of absence, up to 60 months.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

EVIDENCE OF INSURABILITY

We require evidence of insurability satisfactory to Us as follows:

- if You make a late request for Disability Income Insurance: Short Term Benefits. A late request is one made more than 60 days after You were first eligible to enroll for Disability Income Insurance: Short Term Benefits and You did not enroll for such insurance during such period.

  If You do not give Us evidence of insurability or the evidence of insurability is not accepted by Us as satisfactory, You will not be covered for Disability Income Insurance: Short Term Benefits.

The evidence of insurability is to be given at Your expense.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Weekly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the Date Benefit Payments End section.

To verify that You continue to be Disabled without interruption after Our initial approval of the Disability claim, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews, or functional capacity exams, as needed.

While You are Disabled, the Weekly Benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Weekly Benefit one week after the date benefits begin to accrue. We will make subsequent payments weekly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each week. For any partial week of Disability, payment will be made at the daily rate of 1/7th of the Weekly Benefit payable.

We will pay Weekly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Weekly Benefits, You will be required to continue to pay for the cost of any disability income insurance defined as Contributory Insurance.

RECOVERY FROM A DISABILITY

For purposes of this provision, You must be Actively at Work as defined by the plan.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group short term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period and then become Disabled, You will have to complete a new Elimination Period.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after You begin to receive Weekly Benefits, We will consider You to have recovered from Your Disability.

If You return to Active Work for a period of 60 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Weekly Benefit by an amount equal to 10% of the Weekly Benefit. We will do so before We reduce Your Weekly Benefit by any Other Income.

Work Incentive

If You work while You are Disabled and receiving Weekly Benefits, Your Weekly Benefit will be adjusted as follows:

- Your Weekly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Weekly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Weekly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Weekly Benefit will not apply.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to $100 for weekly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
    - living with You as part of Your household;
    - dependent on You for support; and
    - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

- care to Your family member who is:
    - living with You as part of Your household;
    - chiefly dependent on You for support; and
    - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a weekly basis starting with the 4th Weekly Benefit payment. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

Moving Expense Incentive

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You receive because of Your disability or retirement under:
   - any state, public or federal employee retirement or disability plan, including State Teachers Retirement System (STRS); Public Employee Retirement System (PERS) or Federal Retirement System (FERS). You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan;
   - any pension or disability plan of any other nation or political subdivision thereof;
2. any income received for disability or retirement under the Worksite Employer's Retirement Plan, provided by any of Your worksite employers, to the extent that it can be attributed to the worksite employer's contributions;
3. any income received for disability under:
   - a group insurance policy to which the Policyholder has made a contribution, such as:
     - benefits for loss of time from work due to disability;
     - installment payments for permanent total disability;
   - a no-fault auto law for loss of income, excluding supplemental disability benefits;
   - a government compulsory benefit plan or program which provides payment for loss of time from Your job due to Your disability, whether such payment is made directly by the plan or program, or through a third party;
   - a self-funded plan, or other arrangement if the worksite employer contributes toward it or makes payroll deductions for it;
   - any sick pay, vacation pay or other salary continuation that the worksite employer pays to You. "Salary continuation" does not include Salary Subsidy. In addition, the Minimum Weekly Benefit will not apply if You are already receiving 100% of Your Predisability Earnings;
   - unemployment insurance law or program;
4. any income that You receive from working while Disabled to the extent that such income reduces the amount of Your Weekly Benefit as described in REHABILITATION INCENTIVES. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source; and
5. recovery amounts that You receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise including future earnings.

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR GOVERNMENT COMPULSORY BENEFIT PLAN OR PROGRAM OR STRS, PERS OR FERS OR OTHER PUBLIC EMPLOYEE RETIREMENT OR DISABILITY BENEFIT PLAN OR PROGRAM

If there is a reasonable basis for You to apply for benefits under a government compulsory plan or program or a federal, state or other public employee retirement or disability plan or program, including a STRS, PERS or FERS Retirement System, We expect You to apply for such benefits.

1. With respect to Government Compulsory Benefit Plans or Programs or STRS, PERS, FERS Benefit Plans or Programs, or to apply means to pursue such benefits through all applicable levels of appeal provided under such benefit plans or programs. You must, within 4 weeks following the date You become Disabled:
   - send Us Proof that You have applied for benefits under such plans or programs; and
   - sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance.

If You do not satisfy the above requirements, We will reduce Your Disability benefit by the amount of such government compulsory benefit plan or program benefit, or STRS, PERS or FERS benefit that We estimate You are eligible to receive, provided that We have the reasonable means to make such an estimate. We will start to do this with the first Disability benefit payment under this certificate coincident with the date You were eligible to receive such government compulsory benefit plan or program benefit, or STRS, PERS or FERS benefits under any such plan or programs.

2. With respect to STRS, PERS or FERS benefit, a government compulsory benefit plan or program, or if You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability Benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement;
- group credit insurance;
- mortgage disability insurance benefits;
- early retirement benefits that have not been voluntarily taken by You;
- veteran's benefits;
- individual disability income insurance policies;
- benefits received from an accelerated death benefit payment; or
- amounts rolled over to a tax qualified plan unless subsequently received by You while You are receiving benefit payments.

DISABILITY INCOME INSURANCE: DATE BENEFIT PAYMENTS END

Your Disability benefit payments will end on the earliest of:

- the end of the Maximum Benefit Period;
- the date You are no longer Disabled;
- the date You die;
- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

ADDITIONAL SHORT TERM BENEFIT: ORGAN DONOR

If You become Disabled as a result of an Organ Transplant Procedure while insured, Proof of the Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Organ Donor benefit shown below.

If We pay this benefit, You will not have to complete an Elimination Period and You will not be subject to the PRE-EXISTING CONDITIONS section for purposes of such organ transplant procedure.

BENEFIT AMOUNT

We will increase Your Weekly Benefit by an additional amount equal to 10% of Your Weekly Benefit. This increase will be applied to the first Weekly Benefit payment and continue while You remain Disabled, up to the Maximum Benefit Period.

DISABILITY INCOME INSURANCE: PRE-EXISTING CONDITIONS

Pre-existing Condition means a Sickness or accidental injury for which You:

- received medical treatment, consultation, care, or services; or
- took prescription medication or had medications prescribed;

in the 3 months before Your insurance under this certificate takes effect.

We will not pay benefits for a Disability that results from a Pre-existing Condition, if You have been Actively at Work for less than 12 consecutive months after the date Your Disability insurance takes effect under this certificate.

DISABILITY INCOME INSURANCE: LIMITED DISABILITY BENEFITS

For Occupational Disabilities

We will not pay benefits for any Disability:

- which happens in the course of any work performed by You for wage or profit; or
- for which You are eligible to receive under workers' compensation or a similar law.

DISABILITY INCOME INSURANCE: EXCLUSIONS

We will not pay for any Disability caused or contributed to by:

1. war, whether declared or undeclared, or act of war, insurrection or rebellion or terrorist act;
2. Your active participation in a riot;
3. intentionally self-inflicted injury;
4. attempted suicide; or
5. commission of or attempt to commit a felony.

We will not pay Short Term Benefits for any Disability caused or contributed to by elective treatment or procedures, such as:

1. cosmetic surgery or treatment primarily to change appearance;
2. reversal of sterilization;
3. liposuction;
4. visual correction surgery; and
5. in vitro fertilization; embryo transfer procedure; or artificial insemination.

However, pregnancies and complications from any of these procedures will be treated as a Sickness.

FILING A DISABILITY INCOME INSURANCE CLAIM

If Your benefit plan requires claims to be submitted through electronic and/or telephonic media, please contact the Policyholder for the details of this process.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than 14 days after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When You file an initial claim for Disability Income Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days after the end of the Elimination Period.

Notice of claim and Proof for Disability Income Insurance may also be given to Us by following the steps set forth below:

Step 1
You may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 2
We will send a claim form to You and explain how to complete it. You should receive the claim form within 15 days of giving Us notice of claim.

Step 3
When You receive the claim form You should fill it out as instructed and return it with the required Proof described in the claim form. If You do not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4
You must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given within 90 days after the end of the Elimination Period or if it is not reasonably possible to give notice of claim or Proof within such period, they are given as soon as is reasonably possible thereafter.

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Physical Exams

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy. We will pay the cost of such autopsy.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

GENERAL PROVISIONS (continued)

Lien and Repayment

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment, settlement, payment from Federal Social Security or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability. Our right to receive reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

- notifying Us as soon as possible of any payment You receive or are entitled to receive from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate;

- furnishing of documents and other information as requested by Us or any person working on Our behalf; and

- holding in escrow, or causing Your legal representative to hold in escrow, any proceeds paid to You or any party by a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate, up to an amount equal to the benefits paid to You under this certificate for such Disability, to be paid immediately to Us upon Your receipt of said proceeds.

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation
The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work
Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again.

Return to Work Services
As a covered employee you are automatically eligible to participate in our Return to Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.
There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. **Vocational Analyses**

   Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your worksite employer.

2. **Labor Market Surveys**

   Studies to find jobs available in the national economy that would utilize your abilities and skills. Also identify your earning potential for a specific occupation.

3. **Retraining Programs**

   Programs to facilitate return to your previous job, or to train you for a new job.

4. **Job Modifications/Accommodations**

   Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

   This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your worksite employer under the Americans With Disabilities Act (ADA).

5. **Job Seeking Skills and Job Placement Assistance**

   Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return to Work Program Staff
The Case Manager handling your claim will coordinate return to work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists
In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return to work plan.

The information may be kept by the consumer reporting agency and later given to others as permitted by law.
