Eligibility - Effective Date

Eligibility for Coverage for Adopted Children

Any child who is adopted by You, including a child who is placed with You for adoption, will be eligible for Dependent coverage, if otherwise eligible as a Dependent, upon the date of placement with You. A child will be considered placed for adoption from and after the moment the child is placed in the physical custody of the insured for adoption. If a child placed for adoption is not adopted, all dental coverage ceases when the placement ends, and will not be continued.

Exception for Newborns and Adopted Minors

Any Dependent child born while You are insured will become insured on the date of the child's birth, and any Dependent minor child placed for adoption while you are insured will become insured on the date the child is placed in your physical custody for adoption. If You do not elect to insure Your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Dual Eligibility

If both You and Your Spouse, Your Domestic Partner, or Your Civil Union Partner are in an Eligible Class of the Employer, You may each enroll individually or as a Dependent of the other, but not as both. Any eligible Dependent child may also be enrolled by either You or Your Spouse, Your Domestic Partner, or Your Civil Union Partner. If the Spouse, Your Domestic Partner, or Your Civil Union Partner who enrolls for Dependent coverage ceases to be eligible, notify Your plan administrator immediately for coverage to continue under the plan of the other Spouse, Domestic Partner, or Civil Union Partner.

Eligibility - Effective Date

Foster Children, Adoptive Children and Children in Custodial Care

Benefits applicable to children of the insured Employee also apply to adoptive children, foster children and children in custodial care. Coverage begins from birth or from the moment of placement in the home. Except in the case of foster

children, coverage may not exclude any preexisting condition of the child.

In the case of a newborn adoptive child, coverage begins from the moment of birth if there is a written agreement to adopt the child, whether or not the agreement is enforceable.

Coverage does not extend to an adoptive child who is not ultimately placed in the home of the insured Employee.

If notice of the birth or placement of an adopted child is given to the company within 30 days there is no premium charge for the initial 30 day period. If timely notice is not given, the insurer may charge additional premium from the time of birth or placement.

If notice is given within 60 days of the birth or placement of an adopted child, the insurer may not deny coverage for the child due to the failure of the insured to timely notify the insurer of the birth or placement of the child.

If any family member of the insured Employee is covered as a dependent, then benefits applicable to children are covered with respect to a foster child or other child in court-ordered temporary custody or other custody of the insured Employee.

Newborn Children

Coverage for newborn children of an insured employee or the employee's covered family member begins from the moment of birth.

Coverage for a newborn child of a covered family member terminates when the child is 18 months old.

If notice of birth is given to the company within 30 days there is no premium charge for the initial 30 day period. If timely notice is not given, the insurer may charge additional premium from the time of birth.

If notice is given within 60 days of the birth of the child, the insurer may not deny coverage for a child due to the failure of the insured to timely notify the insurer of the birth of the child.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for Your child, that child will be eligible for coverage as required by the order and You will not be considered a Late Entrant for Dependent Insurance.

You, Your child's non-insuring parent, a state child support enforcement agency or the Maryland Department of Health and Mental Hygiene must notify Your Employer and elect coverage for that child. If You yourself are not already enrolled, You must elect coverage for both Yourself and Your child. We will enroll both You and Your child within 20 business days of our receipt of the QMCSO from Your Employer.

Eligibility for coverage will not be denied on the grounds that the child: was born out of wedlock; is not claimed as a dependent on the Employee's federal income tax return; or does not reside with the Employee or within the plan's service area; or is receiving benefits or is eligible to receive benefits under the Maryland Medical Assistance Program.

Continuity of Care Notice

You have special rights in Maryland when You are a new enrollee and may be moving from Maryland Medical Assistance or another company's dental plan to Cigna Health and Life Insurance Company coverage and if You currently are receiving treatment.

Right to use non-network providers. If You have been receiving services from a health care provider, and that provider is a non-network provider under Your new health plan with Us, You may be able to continue to see Your provider as though the provider were an in-network provider. You or Your parent, guardian, designee, or health care provider may also contact Us on Your behalf at 1-800-Cigna24 to request the right to continue to see the non-network provider as if the provider were an in-network provider with Us.

This right applies only if You are being treated by the non-network provider for covered services for one or more of the following types of conditions:

- Acute dental conditions;
- Serious chronic dental conditions;
- Any other condition upon which we and the out-of-network provider agree.
- Any other condition on which the Non-Participating provider and the receiving carrier or managed care organization reach agreement

There is a time limit for how long You can continue to see a non-network provider and only need to pay cost-sharing as though the provider were an in-network provider. For all conditions the time limit is 90 days or until the course of treatment is completed, whichever is sooner. The 90-day limit is measured from the date your coverage starts under the new plan.

You or Your representative need to contact Us so that We can pay Your claim as if You are still receiving care from a network dentist. If the non-network Dentist accepts Cigna's rate of payment, the Dentist is only permitted to bill You for the in-network cost-sharing amounts that apply to the service, such as copayments, coinsurance and deductible.

If the non-network dentist will not accept Cigna's rate of payment, the dentist may decide not to provide services to You, or may continue to provide services to You and bill You not only for any Copayment, Coinsurance or Deductible that applies, but also bill You for the difference between the Dentist's fee and the allowable charge determined by Us.

If You have any questions please contact us at 1-800-Cigna24.

If the plan covers orthodontia, benefits will be extended for 60 days after the date coverage terminates if the orthodontist has agreed to or is receiving monthly payments; or until the later of 60 days after the date coverage terminates or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

Eligibility - Effective Date

Effective Date of Dependent Insurance

Insurance for Your Dependents will become effective on the date You elect it, by signing a written agreement with the Employer Policyholder to make the required contribution, but no earlier than the day You become eligible for Dependent Insurance. All of Your Dependents as defined will be included.

Your Dependents will be insured only if You are insured.

Enrollment of Your child may not be denied by Us under Your dental insurance for the following reasons, that Your child:

- is not claimed as a Dependent on Your federal income tax return; or
- does not reside:
- with You; or
- in Our service area; or
- is receiving benefits or is eligible to receive benefits under the Maryland Medical Assistance Program.

- if the insured is enrolled in dental insurance but does not include their child in the enrollment, We will allow either the noninsuring parent, the Child Support Enforcement Agency, or the Department of Health to apply for the enrollment on behalf of such child and include such child in dental insurance under the enrollment regardless of enrollment period restrictions; and

- We may not disenroll or eliminate dental insurance for the child, unless written evidence is provided to Us that:
- the order is no longer in effect;
- the child has been or will be enrolled under other reasonable dental insurance which will take effect no later than the effective date of the disenrollment;
- the Employer has eliminated Dependent dental insurance from the plan for all Employees; or
- the Employer no longer employs the parent under whose name the child has been enrolled for coverage except to the extent that if the parent elects to exercise the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) then the dental insurance coverage must be provided for the child consistent with the Employer's plan relating to post-employment dental insurance coverage for Dependents.
- For a child who has dental insurance through Us which insures the insured parent, We will:
 - provide membership cards to the noninsuring parent;
 - provide the claim forms to the noninsuring parent;
 - provide any other information necessary for the child to obtain benefits through the dental coverage, to the noninsuring parent; and
 - process the claim forms and make appropriate payment to the noninsuring parent, the dental provider, or the Department of Health when the noninsuring parent has incurred dental expenses relating to the dental care provided to the dependent child.

Eligibility - Effective Date

Eligibility for Coverage for Adopted Children

Any child who is adopted by You, including a child who is placed with You for adoption, will be eligible for Dependent coverage, if otherwise eligible as a Dependent, upon the date of placement with You. A child will be considered placed for adoption when You become legally obligated to support that child, totally or partially prior to that child's adoption. You must notify Cigna of the birth of the newly born child and pay any premium, if required, within 31 days after the date of birth in order to have the coverage continue beyond such 31-day period in order to

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by You or Your Dependent(s) for which another party may be responsible as a result of having caused or contributed to an injury or sickness.
- Expenses incurred by You or Your Dependent(s) to the extent any payment is received either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Right of Reimbursement

If a Covered Person incurs expenses for Covered Dental Services for which another party may be responsible or for which the Covered Person may receive payment as described above, We will be granted a right of reimbursement, to the extent of the benefits provided by Us, from the proceeds of any recovery whether by settlement, judgment, or otherwise, subject to any applicable Apportionment of Liability under Ohio's Civil Action laws.

If less than the full value of the tort action is recovered for comparative negligence, diminishment due to a party's liability under sections 2307.22 to 2307.28 of the Revised Code, or by reason of the collectability of the full value of the claim for injury, death, or loss to person resulting from limited liability insurance or any other cause, the subrogee's or other person's or entity's claim shall be diminished in the same proportion as the injured party's interest is diminished.

Lien of the Plan

By accepting benefits under this plan, a Covered Person:

- grants a lien and assigns to Us an amount equal to the benefits paid under this plan against any recovery made by or on behalf of the Covered Person, subject to any applicable Apportionment of Liability under Ohio's Civil Action laws, which is binding on any attorney or other party who represents the Covered Person whether or not an agent of the Covered Person or of any insurance company or other financially responsible party against whom a Covered Person may have a claim provided said attorney, insurance carrier or other party has been notified by Us or Our agents;

- agrees that this lien shall constitute a charge against the proceeds of any recovery and We shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for Our benefit to the extent of any payment made by Us.

Additional Terms

- No adult Covered Person may assign any rights that the Covered Person may have to recover dental expenses from any third party or other person or entity to any Dependent child without Our prior express written consent. Our right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Covered Person shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- Our right of recovery shall be a prior lien against any proceeds recovered by the Covered Person. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat Our recovery rights by allocating the proceeds exclusively to non-dental expense damages.
- No Covered Person shall incur any expenses on behalf of the plan in pursuit of the plan's rights. Specifically; no court costs, attorneys' fees, or other representatives' fees may be deducted from the plan's recovery without Our prior express written consent. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- We hereby disavow all equitable defenses in the pursuit of Our right of recovery. Our recovery rights are neither affected nor diminished by equitable defenses.
- In the event that a Covered Person fails or refuses to honor his obligations under the plan. We shall be entitled to recover any costs incurred in enforcing the terms of the Policy including, but not limited to, attorney's fees, litigation, court costs, and other expenses. We shall also be entitled to offset the reimbursement obligation against any entitlement to future dental benefits under the Covered Person has fully complied with his reimbursement obligations, regardless of how those future dental benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Covered Person agrees that a breach hereof would

cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, We shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

Any Dependent child born while You are insured will become insured on the date of his birth if You elect Dependent Insurance no later than 31 days after his birth. If payment of an additional premium is required to provide coverage for a child, to continue coverage beyond 31 days, You must elect Dependent Insurance for Your newborn child within the 60 day enrollment period which begins on the first day of birth. If Dependent Insurance is not elected within the 60 day enrollment period, You may be required to wait until the next plan enrollment period to enroll the child for coverage under the plan. Coverage shall include, but not be limited to, coverage for congenital anomalies of such infant children from the moment of birth.

Adoptive children are covered from the date the obligation for total or partial support begins. Waiting periods do not apply to these categories of Dependents.

A Dependent child for whom You are required by a court or administrative order to provide coverage may be enrolled at any time and is not subject to any restrictions. Application for enrollment must be accepted if presented by the Employee, the child's other parent or the state agency responsible for enforcement. An eligible child cannot be terminated from coverage until the insurer receives satisfactory written evidence that the court order is no longer in effect or the child is enrolled in another plan with comparable coverage that takes effect not later than the effective date of disenrollment.

Coverage may not be denied on the grounds that: the child was born out of wedlock; the child is not claimed as a Dependent on the Employee's federal tax return; or the child does not reside with the Employee or in the plan's service area. The insurer must provide to the custodial parent all information necessary for the child to become enrolled. Claims must be accepted from the custodial parent, the provider or the state
