The **Endeavor Health Plan** requires that you see a provider in the **Endeavor Health Tier 1 Network** to have benefit coverage.

New Hires/New Enrollees prior to your effective date on the medical plan to confirm your provider is in the network or to find a network provider follow the simple steps below.

Step 1.

Access the **Endeavor Health Network (previously Endeavor/NS-EEH Tier 1 Network)** provider directory by clicking the link or by scanning the QR code above

Step 2.

When the web page opens, enter your city/state or zip code and either select a provider type from the drop down when you click Doctor by Type* or enter a specific providers name by clicking Doctor by Name . ***Please disregard reference to dentists and Cigna Care Designation Tier 1 as that is not applicable to Endeavor Health.**

Cigna Care Designation Tier 1 Does NOT apply to Endeavor

- Cigna Care Designation
- Tier 1 Provider

Step 3.

Once you have identified the type of provider, the next page will bring up the list of providers that are in the Endeavor Health Tier 1 Network. They will have an indicator showing Endeavor Health Network and if they are accepting new patients.

Endeavor Health Tier 1 Network

With selected plan...

- ✓ Endeavor/NSEEH Tier 1 System Network
- ✓ Accepting New Patients

Only providers in the Endeavor Health Network will appear.

To find providers in the Cigna Open Access Plus Network (OAP) for the EPO and HDHP Plans, please refer to the instructions on the opposite side of the page.

All Cigna Behavioral Providers will be covered as Endeavor Health Tier 1
All DULY Providers will be covered as Endeavor Health Tier 1
