The next page will start the list of providers that are in the Cigna Behavioral Network. You will see the number of providers available at the top and they will also show they are in the Cigna Open Access Network which will be covered as Endeavor Health Network.

You can sort the list by best match, distance, or alpha A-Z or Z-A. You can adjust your search are using the map to the right. You can save a copy of your directory as a PDF or have a PDF emailed to you – this option is at the very bottom of the page.

There will also be a notation if the provider offers virtual counseling and if they are accepting new patients.
